RELEASED

**DESIGNATION OF A DISTRICT AND SCHOOL COORDINATOR FOR
INFORMATION AND COMMUNICATIONS TECHNOLOGY (ICT)**

To: **Schools Division Superintendents**
All others concerned
This Region

1. With the conclusion of the DCP Rapid Assessment of DCP Implementation, it was observed that most of the participants were just delegated as ICT coordinators with no official designation by their respective school heads.
2. Relative to the succeeding released DepED Orders, Memoranda and Advisories on Information and Communication Technology (ICT), the accomplishment of the coordinator's task was borne by a regular teacher who acts as a school/district ICT coordinator in addition to his/her regular teaching load.
3. Hence, with the goal of the Region for an effective management and implementation of ICT programs and projects, all school heads are directed to recommend one (1) ICT coordinator to be designated by this Office. For schools classified as large (1,000+ enrollment) and medium (500+ enrollment), two (2) ICT coordinators shall be designated to perform the same duties and work collaboratively to accomplish the task.
4. The designated district/school ICT coordinators shall take care of all the online/offline DepED ICT related programs and projects and shall perform four (4) hours of their teaching load instead of the regular six (6) hours a day. The two (2) hours shall be used in performing their functions and duties as District/School ICT coordinator.
5. The designation shall be agreed upon by the recommended teacher, PTA, and school head before submitting the recommendation to the Schools Division Superintendent for approval.

6. Furthermore, designated District/School ICT Coordinators shall perform duties and responsibilities related to DepED ICT programs and shall not be treated merely as a District/School secretariat.

7. The qualifications, duties, responsibilities and privileges of a District/School ICT Coordinator is enclosed.

8. All public-School District Supervisors and coordinating principals are advised to establish a District ICT Council to be headed by the District ICT Coordinator to perform the same duties in the district level. The members of the District ICT Council shall be the official designated School ICT Coordinators.

9. Immediate and wide dissemination of this Memorandum is desired.
