**SCHOOLS DIVISION OF TANGUB CITY**

May 2, 2023

**DIVISION MEMORANDUM**

No. 124, s. 2023

**SCHOOL TRAFFIC MANAGEMENT IN SCHOOLS**

To: Assistant Schools Division Superintendent  
Chief Education Supervisors (CID and SGOD)  
Public Schools District In-Charge  
Elementary and Secondary School Heads  
Elementary and Secondary School DRRM Coordinators  
All Others Concerned  
This Division

1. World Health Organization (WHO) declared vehicular accidents are the biggest cause of death for children and young adults (*Road Traffic Mortality Article*). As face-to-face modality resumes, more learners will be using the roads, increasing their vulnerability to traffic accidents. Thus, school road safety practices must be highly visible, observed, and sustained to promote the safety of the learners and school personnel.
2. The Department issued DepEd Memorandum No. 030, s. 2022, titled **Revised School Safety Assessment Tool (SSAT) for the Progressive Expansion of the Face-to-Face Class** to prepare the schools for the safe, effective, and efficient conduct of the safe face-to-face learning modality. Below are the indicators that the school shall observe in Managing School Operations, particularly in School Traffic Management:
  - a. Established safe entrance and exit, and crowd management measures for teachers, students, non-teaching personnel, and school visitors.
  - b. Established drop-off and pick-up points that are clearly identified and marked.
  - c. Set up clear and easy-to-understand safety warning signages on pedestrian lane markings/humps, loading/unloading signs, stop and go signs, signs for the physically impaired, and signages on the observance of health protocols and protective measures.
3. Immediate dissemination and compliance with this Memorandum is desired.
